“ I could not have ever asked for a better grandmother! Words can not describe how great you were! You were always there when i needed you and was always a pleasure to be around not only for myself but for every other person you touched along the way. It breaks my heart to know you are gone, but it brings me peace to know you are no longer in pain and finally reunited with granddaddy! There will not be a day that goes by that i will not think of you and im so happy zach got the pleasure to not only meet but spend time with you! I will always keep the happy memories we made together close to my heart. You will be missed dearly, but I know you are happier now! Have fun with granddaddy and until we meet again save me a seat in heaven! I love you!

“ I had the honor of knowing Doris while attending Vineyard Baptist Church. Her and I would swap and test different recipes. I also enjoyed writing her biography while she was at Vineyard. She so enjoyed sharing stories of her life and about her children. She went through boxes of pictures and would share different stories associated with those pictures. Thank you Doris for being a friend in Christ. We know without question she is spending her eternal life with Jesus and her family that has passed on. God Bless and give comfort to her family that are still here today. With Love - Maria Johnson

“ I am so sorry for your loss. She was a wonderful lady and Mom. She and her family was an extension of my family. We were always at one or the others home. Miss Doris was always a living lady. I am honored to have her in my life. I know she and Mr. Richard are happy walking those streets of gold. My prayers are with all of the 5 children. Love to you all. Jane Allen Kent
