“ *Mr. Eddie was probably the coolest foster parent I ever partnered with. The foster kids loved him and so did the social workers. When he would talk to prospective baby foster parents, he would tear up and you could ALWAYS tell he was the real deal. The world is a less cool place without you. Sincere sympathy for all of his loved ones.*

“ *What a tremendous legacy Eddie leaves us. The entire Bunn family were very much a part of my girls' family in their infant years. I know Eddie loved my girls as he did all the kids that spent time in the Bunn household. I particularly enjoyed how Eddie and I swapped witty banter back and forth every time I came in. My girls loved him as a grandfather and my wife and I loved him as a brother in Christ. We sincerely regret to hear of Eddie leaving us and going to serve the Lord so early in life. We love you Bunn family and grieve with you. God bless.*

Eddie Bunn left a void that will never be filled. Psalms 23 one line said "my cup runneth over" it means it so much that it's not contained, it's spilling over. The ripple effect that Eddie's life had is so vast we will not realize how many lives he touched for a long time. Eddie's cup runneth over with love. He left a void that can never be filled. We miss Eddie Bunn.
