“ Susan & family: Sorry to hear about Hal. We were aware of his long battle from friends in Griffin. I could talk for hours of times and experiences that we shared as we were growing up together. And Hal definitely inherited his Dad's name of Sunshine. Take comfort that he is resting in peace, and awaiting our reunions. Our thoughts & prayers for your comfort.

“ Sadness came over my heart when I heard about your sweet Hal. I then thought about his strength even in the face of adversity.....always with a smile on his face. That brought comfort to this heart of mine. Your lights continued to shine together which was a testimony for us all. I know that his light remains within you Susan and your family. I am sure when he stood before his Maker, Hal heard, " Well done my good and faithful servant...enter into the joys of the Lord." May God touch your broken heart and lift you up with His love and strength. I love you.

“ It is with great sadness that I learned of the passing of my old friend Hal. He was always a joy to be around and always lit up the room with his wonderful smile. High School reunions were always brighter because he and Susan were there. He will be missed by many, many of his classmates and friends.

*“ Susan,
Hal fought cancer so well. I was so glad I got to see him one last time at Northside. He still had his sense of humor and sweetness about him. We reminisced about all the hugs he gave us in high school. I hope you feel this hug coming to you from Russell and I. You both loved and lived well.

Susan and Family, Thinking of you and praying for you during this difficult time. May God comfort you with the many beautiful memories that you shared together with Hal. Hal was a wonderful person and Susan you were at his side in such an admirable way during Hal's darkest days. What a sweet testimony of what the marriage vows mean, for better or worse, in sickness and in health. God bless you.
