“ *I just found out of Larry's passing. He was a great man I will never forget. I will never be able to hear the song "I heard it through the grapevine" by California Raisins without thinking of him. (Bad Company too because we used to listen to his 8 track) He will always be the "Main Man". Wished we could have stayed in touch through the years. Jessie please find me on Facebook.*

“ *Never a dull moment with Larry because he always had you laughing when you were around him. He loved kids and I will always remember him playing with my grandkids when we would bring them with us to visit. He was a kid at heart and they loved to go see Uncle Larry. We will miss you!*

“ *When I think about Uncle Larry, the first memory that pops in my head is him breaking out in song singing Monday, Monday by the Beatles, whenever I walked into a room. Haha. He had a gift, he could just find a way to make people laugh. He would always say, "I don't know what they are putting in the water here in Michigan, why are you guys so tall? We must not get that kind of water in Georgia." Or when the boy bands were popular he would joke and say, "I don't understand why ya'll are making such a big deal about N'SYNC, he's like I got one of those in my bathroom." Or "Why ya'll calling your Soda, Pop?" He was a great uncle, with a good heart and a killer sense of humor that made the world a better place. I will miss you Uncle Larry, you brought out a better side of everyone you were around.*

Love you! Monday aka Mandy. 😊

“ Always had a great time with Larry riding the back roads of Coweta and Spalding County on our Harleys. We would always meet at the same little store on Hwy 362 and spend the day riding then head to Zebulon and eat at his favorite little hole in the wall restaurant. Will be missing those times!

“ Does anyone remember going to lunch at the Chinese restaurant in Lake Orion with [uncle] Larry? Seems like it was a tradition for a few summers. I never laughed or smiled so much at a meal. Uncle Larry was loud in a good way. I'll miss just being in a room with him.
