“ I remember Patsy coming to our house a lot when I was young. She said she loved my mom & dad (Hillard & Nettie Allen) like they were her own. I'm sure she has already located them up in heaven and they are back to having good o laughs together . Sorry for your loss. Prayers for the family

“ in 1980 we moved to Georgia. My sister Madge and her husband bought the house right next door to Doug and Pat and we bought the house right next door to Joe and Madge. As soon as I met Pat, I knew she would be good friend. She was warm and caring and had the best sense of humor! Between the three of us we were raising a bunch of kids and it was so much fun when we put the last of them on the bus and sat down for a cup of coffee. We laughed together and cried together like good friends do. So many good memories. Looking forward to seeing you again, Pat, in heaven with our Lord and Savior.

At my lowest: God is my hope.

At my darkest: God is my light.

At my weakest: God is my strength.

At my saddest: God is my comforter.

Praying for comfort for you, Doug, and the rest of the family.

“ *Pat was my first friend when I moved High Falls. My son and her great granddaughter went to head start together and that is how we met, waiting for the kid's school bus. She was always giving me advise and making me laugh at silly things she said and done. Pat was more then a friend to me, she was like another mom giving me and my husband tough love when we needed it. I am glad I got to thank her for it. Pat you will be truly missed. Love the Dawley family!!!*

“ *I was a little girl who grew up in the house next door to Mrs. Pat, her and Mr. Doug were my parents best friends. My heart goes out to her entire family. She is now a new creation and dwelling in the house of the lord. As she watches over her family, live on with all her memories and love that she instilled in each of you.....with much love and sympathy,

“*Rest in peace Aunt Pat. I will miss you dearly, but I know you are in a much better place. You are free from the grief of loved ones lost along this journey, and free from the pains of this life. Of the many things I have learned along my journey is that the only thing certain in this life, is death. But death doesn't separate us forever, it merely forms a gap in this life to our life ever after with Jesus.*
