“ *Harold and I got to know Pauline several years ago at Hollonville Opry House. I remember on possibly her first visit to Hollonville she came with Grace Sprayberry. Soon afterward she and Mac became friends and those two shared so many good times together and quickly became members of our Hollonville Opry House Family. They both loved the Opry House, loved the fellowship, loved the music and were loved back in return. She is missed and will continue to be. Good night Pauline. Rest in Peace sweet lady.*

“ *I am deeply saddened by the passing of Pauline. She has been a very good friend for several years now. She reached out to me when my son passed away and we became very close after that. We shared our love of music both at Buckners and Hollonville. We had many laughs together during that time and she would always tell me how good Mac was to her. She was very special to me and she is going to be missed.*
