“ Mary Ann and Mike, all who loved Robert and I especially thought he was a great man, the good kind!!
Have put a "Family Tree" in the place it asked for-hope I did not step on any toe's...it will not let me put any information on any living person, other than their sex. Let me know if there is any information that you question or have that I do not?

Please stay in touch, I do not always check my Facebook account, but will try to do better.

“ *Robert was a great friend and always a joy to be around. I will miss him in the food booth at the fair! He always made it a fun time at the fair. His smile and love of life will be missed and while the stars in the sky shine brighter for their gain our world will shine a little less bright. May God comfort and console you in your loss. Peace my friend, rest well.*
