“ Pat,
It broke my heart when Renee called to tell me the news about Kess. I can't imagine the loss of a child so young. We know God has a plan for each of us, a plan that we'll never understand until we meet Him face to face. I wish I had a wand to take the pain away. Know that you are in my thoughts and prayers.

“ *Kess and I met via our mutual love of both Star Wars and video games back in 2003. We continued to stay in touch via phone or gaming on almost a daily basis all the years since even though he was in Georgia(or Virginia) and I in Ohio. I consider him one of my best friends and I'm terribly saddened by his loss.*

I'm so sorry about your son. I saw him a few years ago at Rite Aid and he was so polite and we talked about Griffin Christian and when they were kids.

“ *Ms. Kessler, my heart aches for you. My son Christopher, worked with Kess at Rosetta Stone and they were good friends. I only met Kess once but Chris spoke of him often and the silly things they did. Chris thought a lot of Kess. As a mother, I can't even imagine the pain you feel. You are in my prayers and thoughts.*

“ Dear Pat & Family,
I am so saddened to hear about Kess. No words can comfort you at this time. I am here if you need me but I know my mom will be there for each of you during this time of sorrow. There is nothing worse then to lose your child and only God knows why he called Kess home at such an early age. It brings back so many memories of our families past with Kathy and you were there for us now the unfortunate is us having to be there for you. With all my Love, Annette Lehsten Brookins
