“ *Sandy has a zest for life and welcomed me with opened arms when I was hired to work with her in 2003. She had a wonderful gift of gab. She could talk about anything to anyone. She truly loved her family and would share wonderful stories of love and courage. She had a smile that would light up a room. She was the epitome of a strong woman, mother, co-worker, and friend. I will miss her light.* ”

“ Sandy will be missed by all those who knew her. I worked with or around her for many years at SRMC. She did her best at whatever job she was assigned. I never saw her without a smile unless she was sharing someone else's pain. One never walked away from Sandy without feeling uplifted.

“ Sandy was my work buddy for 25 years. She worked in several different departments but the most memorable was when she worked with me on the IV Team at Southern Regional Medical Center. She became a wonderful friend. My children use to attend the employee Christmas party with her boys. Wonderful memories I will never forget. Sandy and I became true bosom buddies when we were both diagnosed with breast cancer. She fought so hard until the end. I would always call her sweet Sandy. She had the biggest, loving heart for everyone around her. I never saw her without a smile. I will miss you my sweet Sandy. My heart goes out to you Lloyd, Josh, Adam, Matthew and family

“ *Lloyd and family, I am so sorry to hear about
Sandy's passing but we know that Heaven
just got another beautiful angel. She fought
her struggles against cancer like a trooper.
But she now has her heavenly reward and
what an awesome one it is. There will be a large void for all of you
but at least we know she no longer has any battles to face. I thank
God for allowing her to be a part of my life when they(Lloyd and
Sandy) were part of Oak Hill and were a part of our SS
class.....Sandy , we will miss you..*

“ *Hearing of Sandy's passing today was so sad. We had not known
Sandy long but when we met it was as if we had known her a long
time. Met her at the "Survivor's Dinner" at Christ Chapel Zebulon
this past May. Such a sweet soul. Our prayers go out to her family
for peace and comfort. Her battle is over and I know she is with our
Lord..*
